SYNOPSIS

The summer of 1963 innocent 17-year-old Baby (Jennifer Grey) vacations with her parents at a Catskill's resort.

One evening she is drawn to the staff quarters by stirring music, and there she meets Johnny (Patrick Swayze), the hotel dance instructor, who is as experienced as Baby is naive.

Baby soon becomes Johnny's pupil in dance and love.

Many of the productions and artists that the company started working with in its early years are still part of its diversified portfolio today. In its early years GEA mainly acted as a producer of international theatrical tours for titles such as *De*

La Guarda, *Cirque Mechanics Bounce*, *Fuego! - The Spanish Dance Spectacular*, The Official West End Production of the *Blues Brothers*, *Hair - The Musical* and the massively successful French rock-opera *Notre Dame De Paris*. The cooperation with the late Maestro Ennio Morricone, which began in 2012 and the phenomenal success that followed, saw a shift in the company's focus to film music as a genre. In recent years GEA has produced and still produces touring live screenings with orchestra and choirs of major motion pictures such as *The Godfather*, *Titanic*, *La La Land* (Germany), *The Hunger Games* and *Paddington*. In later years, GEA produced the first ever concert tour of Hollywood composer James Newton Howard, which toured 15 European countries. The company also put together the first ever live tour of legendary music producer and pioneer of electronic dance music Giorgio Moroder and outside the realm of film music, GEA partnered with Graceland and Sony Music Entertainment on producing *Elvis Live on Screen*, which was hosted by Priscilla Presley. GEA is currently producing the tours of *Dirty Dancing in Concert*, *Space Station Earth*, *Exhibition Imagine Monet*, *Ennio Morricone - The Official Concert Celebration* and *Our Planet for 2022*, with more live entertainment coming soon.
