Directions

On I-82 Highway, take the Yakima Ave/Terrace Heights exit (from the north exit 33B, from the south exit 33). Go west on Yakima Ave, towards the city center, continue (approx. eight blocks) to S 3rd Street, turn LEFT. The Capitol Theatre is in the middle of the block on the LEFT (east). To get to the load-in doors go to S 4th Street and turn LEFT. The loading dock is located on South 4th Street, immediately behind the Capitol Theatre.

Shows Requiring Power Hook-Ups:

A permit is required by Washington State for temporary power hook-ups. Hook-up installation and removal must be performed by a certified electrician. The Capitol Theatre Technical Director will arrange for the permit and electrician and the cost will be passed on to the renter.

Temporary power hook-ups at the Capitol Theatre must be done in accordance with National Electrical Code standards as well as City of Yakima and Washington Administrative Code (WAC) rules and regulations. Please refer to the appropriate authority having jurisdiction if there are questions.

Sound Pressure Levels:

Sound pressure levels of either the house sound system, supplemental sound equipment, on-stage musical instrument amplifiers, or monitor systems will not exceed 85dBA. A Capitol Theatre technical representative, using the proper measuring equipment, will make the determination if sound levels rise above the 85dBA limit. Immediate sound level compliance is expected from artists, technicians, employees, and other personnel.
